"Remember the wonders God has done." 1 Chronicles 16:12

This week we talked about the Israelites making a memorial from 12 stones that came from the Jordan river. This was useful to them because it helped them remember that God parted the river waters so that the people could enter the promised land. We also took a look at our classroom and the sanctuary. We found many things that served as "memorials" for us. These items help us remember that Jesus loved us so much he was willing to die for us. What reminders of Jesus' love do you have in your home? Ask your child to find objects that help him remember how wonderful God is. Miss Marty
