"We love because God first loved us.." 1 John 4:9

This week's Bible lesson was entitled, "Gifts for the Tabernacle." We continued to follow the Israelites in the desert and learned about their response to God's forgiveness. When the Lord asked the people to build a "tent" church, their response was overwhelming. They brought all their treasures. In fact, they brought so many things that Moses had to tell them to stop. Not only did they bring treasures, but they gave freely of their time to construct it. Our response is the same: we show love because God showed it to us first. And then we give from our hearts. Miss Marty
