FRI-YAY! Sickness has officially started. Monday, we cut out the letter of the week and turned it into NEMO.

Tuesday, we had a lazy day. Sickness started, so we worked on the Christmas program and talked about Christmas. Wednesday, we colored a wreath and counted how many Christmas objects there were on our worksheet. On Thursday, we traced the letter of the week and on Friday, we found all of the items that start with the letter of the week. We also have started writing words that start with our letter 'N.' Please keep in mind, if your child is sent home during the school day, we ask that you keep them home for 24 hours.

We have been practicing our Christmas Program every day during school! It is coming together really well.

Please mark your calendars for December 18th at 5:30PM.

Next week, we will be learning about the letter O and Christmas.
