HTLS...where the heart of education is the education of the heart!

***The reason we exist: God created us to love Him and to let His love shine through us to a needy world!
Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."***

From the Director:

What a week! Let me begin by apologizing to the families of our preschoolers and Kindergarteners for not being able to provide in-person learning for a while. I know our parents are under tremendous pressure through this and I want our school to be a help and not add extra stress to families. At the same time, we want to keep our students, staff, and parents as safe as possible. I am praying that this is the worst of it for us and that we will get things back to normal as soon as possible.

Thank you, parents, for being so understanding and so supportive. Those of us on the board and in administration have had sleepless nights and sick feelings in the pit of our stomachs every time we have to make one of these difficult decisions and then wondering what the backlash might be or how this decision is negatively affecting families. But the positive response from our parents reflects on the quality and character of our amazing parents who understand the times and support our decisions. I thank God for you.

Credit memos were issued to preschool families of students whose class was closed down due to Covid. These will remain on your account to cover extended care costs, if applicable, or else be given as a deduction of your final tuition payment.

January tuition payments are due now. If you are not set up on autopay, please send cash or check to the office. To enroll in autopay, contact Jennifer.

Lunch Account Notices are in backpacks. Thank you for keeping your accounts current!

Car Line Procedure Request:

Car line has been relatively calm this week since our Kindergarteners and preschoolers were unable to attend. Next week, we welcome back the Kindergarten. Please continue to use the LEFT lane under the portico as much as possible. If traffic is backing up close to the road, you may then use the right lane. As always, proceed cautiously as you approach. Students have been able to cross without much concern this week, so we need to be extra diligent in keeping kiddos safe. Thank you!

IT'S A NEW YEAR!

That means you may need a statement of payments for tax purposes. If so, please email Jennifer at

school.admin@htlc-bg.org to request it.

Re-Enrollment for the 2021-22 school year is right around the corner!

More information will come home at the end of the month, but just a friendly reminder that current HTLS families will have a 2-week window for priority re-enrollment, followed by a 1-week window for families already on the waitlist, before we open the enrollment to the public on March 1.

Students are considered re-enrolled when we have their form and registration fee. Siblings of current students are permitted to enroll during the 1st priority window.

If you need any information about enrolling a new student, please email Maia Ford at admissions@htlc-bg.org.
