HTLS...where the heart of education is the education of the heart!

***The reason we exist: God created us to love Him and to let His love shine through us to a needy world!
Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."***

From the Director:

Welcome back students and families. With the number of coronavirus cases in our community being so high we will all have to be very vigilant in being careful and following guidelines to stay safe so that we can continue to be able to offer in-person learning for our students. Thank you to all of our parents for erring on the side of caution when it comes to possible exposure and whether to send students to school. Thank you as well for your understanding and flexibility as you deal with all of the uncertainty that this virus has caused. Regardless of the circumstances, our God remains faithful and promises to love us and never leave us.

Report cards were sent home with students today. Please sign and return them on Monday. Congratulations to all of our students who made honor roll. We are very proud of all of our students for their efforts!

There is a January Calendar and Lunch Menu attached separately. Please notice the addition of the HTLS Spelling Bee!

Extended Care Invoices were emailed earlier this week. You may have gotten two, one for November and one for December.

Additionally, credit memos were issued to families of students whose class was closed down just before and after Thanksgiving due to Covid. These will remain on your account to cover extended care costs, if applicable, or else be given as a deduction of your final tuition payment.

January tuition payments are due at the end of next week. If you are not set up on autopay, please send cash or check to the office. To enroll in autopay, contact Jennifer.

Lunch Account Notices are in backpacks. Thank you for keeping your accounts current!

IT'S A NEW YEAR! That means you may need a statement of payments for tax purposes. If so, please email Jennifer at school.admin@htlc-bg.org to request it.

Car Line Procedure Request:

As temperatures have fallen, we have seen some delays with temperature taking due to super cozy warm cars and winter hats. Please try to have your heat turned down or off and have kiddos remove hats as you enter the parking lot. This will help us to not have to spend time double and triple checking kiddos before we can walk them to class. Thank you!
