**HTLS...where the heart of education is the education of the heart!**

***The reason we exist: God created us to love Him and to let His love shine through us to a needy world!  
Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."***

### **From the Director:**

Happy Thanksgiving to everyone! It is easy to get caught up in all the stress and bad news and forget about the blessings. God tells us he takes care of the birds each day, and that we mean much more to him than birds! (Mt 6:26) Our students have been thinking a lot about what they are thankful for this month since our Christian character trait for the month is "gratitude".

I have been asked by several parents if there is anything that can be done to help get our kids back in school. First, I would ask you to pray that God would intervene and allow His work to continue in our Christian schools. Second, I am encouraging as many of us as possible to contact our state representatives in congress and voice our concerns.

Stay safe everyone, enjoy the break, and talk with your kids about all the things you are grateful for!

Bill Hiskey, School Director
