**HTLS...where the heart of education is the education of the heart!**

***The reason we exist: God created us to love Him and to let His love shine through us to a needy world!  
Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."***

## **From the Director:**

The new swings have been installed just in time for the kids to be able to enjoy them as the weather turned warm and we were able to get outside. Thank you to our PTO for helping make this happen. The kids were excited!

Thank you to those of you who took time to fill out the parent survey. The results were overwhelmingly positive in all areas and the comments made about our staff were very encouraging and supportive. We are so blessed to be able to offer Christian education and have such strong parental support.

Bill Hiskey, School Director

**Calvin the Courageous Update:**

Many of you know who Calvin the Courageous is, but for our new families in 2020, you probably only know that we collected Chapel Offerings for him in October.

Calvin is now 4 years old and had been a student in Miss Shelby's P2 class last year when he was diagnosed with leukemia in November. He has been battling ever since. Can you imagine having a child battling cancer amidst a pandemic? Neither can we.

Last week, we delivered cards that the students made to his house. His dad was home with his two older brothers. Calvin and his mom were in the hospital. Calvin has been hitting a lot of bumps along this exhausting journey and really needs our prayers. His mom has been documenting their journey via Caring Bridge. The link is posted below if you want to read from the beginning, or even just the update she posted last week.

We are always thankful for the support our families give so that our student body can be ambassadors to the community, and this family is praying for a miracle. For strength for Calvin, for wisdom for his doctors, for comfort and understanding for his family. If you do anything in the next 5 minutes, please say a prayer for them. If you'd like to do more, whether it be a monetary donation, gift card, or just send a card, please let us know and we will tell you how.
