HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

From the Director:

Today our preschoolers got to wear their pajamas and listen to some mystery guests who recorded themselves reading Christmas books. Don't forget tomorrow (Saturday) is our Wave Parade from 2-3pm. We have a gift bag and some special surprises for the kids.

We will continue with virtual instruction next week as Warren County is still in a red zone. Governor Beshear was quoted in the paper as saying he was working to get schools back to in-person learning by Jan. 4. We continue to pray.

Lunch menu for next week only has a couple of changes from the original menu. I am extremely thankful for Phyllis Raymer, Jennifer Merkle, and Brandalyn Reddick for their help in the kitchen.

Please keep Miss Tracy in your prayers as she lays her son to rest on Saturday.

Bill Hiskey, School Director
