**HTLS...where the heart of education is the education of the heart!**

*The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."*

## From the Director:

### Christian Character Education

Each month this year our classrooms will be talking about a Christian character trait. For the month of August, the topic was adaptability. For September we have been talking about self-control, and for October we will be talking about acceptance. The blessing and privilege that we have as a Christian school is to be able to teach character traits to children with a Christian emphasis. We don't teach these things just because we think it is an admirable thing to do...we teach them because God tells us to in His Word. Thank you for your support of Christian education through our school ministry!

Parent Conferences will be held on Friday, October 16. Teachers will be sharing information on how to sign up. Conferences can be held in person for no more than 30 minutes or can be held virtually.

Bill Hiskey, School Director
