HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

Saved to Serve!

Lutheran schools around the world share the same theme this year of *Saved to Serve* based on Matthew 20:20-28. Verse 28 reads, "The Son of Man came not to be served but to serve, and to give his life as a ransom for many." It is hard for us to grasp a God of wonders who would take a back seat to His creation and die on a cross for our sins. Our response to this amazing love is to dedicate ourselves to acts of service. Our staff is excited to serve our children and families and share the Good News of Jesus!
